

well well,  
their anger  
meter must  
be pretty  
full right  
now

o...  
okay  
i get  
it

Mura  
you're  
always  
chill,  
really

on the  
other hand,  
kept on  
thinking that  
ever since  
that fatass  
teacher came,

the class  
got really  
dull and  
boring, not  
fun at all

Higuma  
and  
Getsuto  
and  
Kamiya  
all  
turned into  
pet cats,  
attached  
to that  
thing

crack  
crack

it  
doesn't  
really  
matter  
either  
way,  
does it  
?

it would  
be pretty  
funny if  
one of the  
underlings  
create a  
ruckus  
some-  
where  
~

prob-  
ably

Kiryuu  
will  
get his  
mask  
exposed  
soon

well,  
it ain't  
somethin'  
that'll  
change  
anythin'  
fer me  
....

they're  
getting  
depressed  
from  
imagining  
their futute  
selves  
being here

no...  
it's  
more  
like

ahh it  
was the  
right  
decision to  
choose this  
lodge as the  
field trip  
location

looks like  
everyone  
learned how  
the old time  
workers felt  
and are  
hanging  
their heads

how long this  
depression  
will last is  
a sight worth  
seeing,  
though

okay,  
that  
would be  
everyone

th.. this is  
troubling...  
there's one  
obviously  
following  
behind me

that's  
weird

huh?  
is there  
one  
extra  
person?

note:  
dharma  
(daruma)  
is a hollow,  
round,  
Japanese  
traditional  
doll  
modeled  
after  
Bodhi-  
dharma

I think  
you know  
but don't  
buy us a  
normal  
dharma-  
san

plus  
a  
dharma

oh really  
then I feel  
kinda bad  
but can  
you go get  
some beer  
too?

damn  
that  
bastard

flirting  
with girls  
while  
making  
us buy  
beer!

stop  
it  
Kiyua-  
san

the  
alcohol  
are  
alright?  
alcohol  
you been  
like  
whiskey

note:  
the  
dharma  
Kiyua  
is talking  
about  
is an  
alcohol  
brand

right..  
and it  
has to  
be some-  
one who  
looks  
like they  
will do it

but I  
don't  
want to  
go to  
juvie  
for it

have  
to  
frame  
some-  
one

let's  
make it  
Kamiya

yeah  
defini-  
tely!

we'll  
kidnap  
him while  
he's  
dead-  
drunk  
and stab

gotcha  
then  
let's  
kill  
him

tonight,  
we're  
gonna  
kill him  
for  
real

yup

it  
wouldn't  
be weird  
for her to  
snap and  
stab with the  
blade hidden  
on her left  
arm...

it feels  
like  
there is  
someone  
clearly  
sleeping  
next to  
me

I  
wonder  
why?

we  
should  
buy him  
a salad  
for a  
healthy  
meal..

ah.. i  
think  
Kiryuu-  
kun would  
like the  
tonkatsu  
lunchbox  
better.

we can  
borrow  
cups  
at the  
lodge,  
right?

it cracked me  
up that those  
two were  
seriously  
considering  
Kiryuu's  
wellbeing

they're such  
good kids

# "Mitt-chan" was born from these series...

don't worry! she won't come up often!  
the main story is Psychometrer!

main character  
Asuma Eiji is a repeat  
highschool third year.

with the request from female detective  
Shima Ryouko of the criminal investigations  
first division, he aids in the investigation of  
serial murder case using one "special power".  
that power, called "psychometrer", allows him  
to read memories of the item or person!
